APPLICANT OPTION FOR PROFESSIONAL CERTIFICATION AT THE WORLD TRADE CENTER

PART 97th Flr.

Applicant's Name: FIDUCIARY TRUST INT. Tenant Alteration: 2 WTC. Application: 982176

Applicant must read the reverse side of this form and sign in the space provided.

By its signature below, Applicant hereby submits this Tenant Alteration Application (hereinafter called the TAA) for Professional Certification at the World Trade Center, and affirm, understand, and agree as follows:

1. Applicant affirms to have met with duly appointed representatives of the Port Authority's (PA) World Trade Department (WTD), have had explained to me and understand the complete TAA process for Tenant construction work when this process is conducted entirely by the PA, as well as when it is conducted under the Professional Certification Program.

2. Applicant affirms to have elected the Professional Certification Program for TAA 982176 (write in number), and will direct the retained Registered Architect or Professional Engineer (hereinafter called the Consultant) to familiarize himself/herself with and conform to the requirements of this Rider.

3. Applicant understands that all TAA's submitted under the Professional Certification Program will be reviewed ONLY for compatibility of the Consultant's design with the WTC's existing structure and systems.

4. Applicant understands that under this Program, the Consultant will prepare all the documents necessary for construction, and will be responsible for certifying that the construction documents prepared in connection with TAA _____ (write in number) are in compliance with applicable codes and PA technical standards.

5. Applicant understands that under this Program, the Consultant will also be responsible for certifying that the completed construction work in connection with TAA 982176 (write in number) has been performed in accordance with the approved construction documents, and all applicable codes and PA technical standards.

6. Applicant affirms that the Consultant being retained in connection with TAA 982176 (write in number) (circle A or B, as applicable):

   A. Has been selected from the PA's list of pre-approved consultants provided to me by the WTC

   The Consultant's name is: BONSIGNORE DESIGN, INC.

   B. Is not on the list of pre-approved consultants.

   The Consultant's name is _____

   In order to be approved by the PA as eligible for the Professional Certification Program, Applicant will direct the Consultant to submit to the PA, on its letterhead, documentation verifying and/or providing the following:

   i) A current license to practice in New York State.

   ii) That the Consultant has at least five (5) years of experience in the planning and design of office space and has completed at least ten (10) projects totaling in excess of 20,000 square feet constructed in New York City.

   iii) That the Consultant has a current staff appropriate to the size of the job and also shall have available a list of sub-Consultants with whom he/she regularly works, and will identify the number of licensed architects/engineers on his/her staff or the sub-Consultant's staff, and their specific high-rise office alterations experience as it relates to the type and size of the project in the WTC. The Consultant and sub–Consultant shall indicate the credentials, by resume, of all staff to be employed on any WTC project.

   iv) A copy of the Consultant and sub-Consultant's current errors and omissions certificate of insurance, including a 30–day cancellation notice to the PA.

   v) A list of high-rise, office-space alterations previously completed in New York City. The list should include each project's location and owner/lessee of the space, and the owner's/lessee's telephone number. The PA will obtain references on these projects.

   vi) That the Consultant and sub-Consultants shall have demonstrated satisfactory performance on all Port Authority related work
